IMPORTANT THINGS TO KNOW

Business Center: Your Business Center is where you are personally placed within the QuiAri organization.

Sales Volume (SV): A point value assigned to each commissionable product; the QuiAri Compensation Plan is based on the accumulation of these points.

Personally Sponsored Sales Volume (PSSV): The point value assigned to each commissionable product of your personally sponsored Promoters and Customers. Please note that your personal product purchases do not count towards commission qualifications of any type.

Group Sales Volume (GSV): The point value assigned to all commissionable products purchased by both Customers and Promoters in your downline.

Qualified: To become Qualified to earn Team Commissions, personally sponsor two new Promoters, one on the Left leg and one on the Right leg, and maintain 50 Personally Sponsored Sales Volume (PSSV) on both your Left and Right legs at all times.

Customer: An individual or a business who purchases QuiAri products, but is not a Promoter.

Cycle: An accumulation of SV that triggers a Team Commission for a Promoter. A Promoter cycles each time 75 SV (Sales Volume) accumulates in both his/her Left and Right legs.

Missed Commissions: You must be Qualified to cycle and earn Team Commissions; if you are not Qualified at the time the commission is earned, we will hold your Team Commissions for 72 hours. If you become Qualified within that timeframe, you will retroactively be paid your Team Commissions.

Promoter: A Promoter is a person who has the opportunity to participate in the Compensation Plan for FREE and receives a marketing website, marketing materials, real-time Back Office, mobile app, and free marketing tour.

Recognition Rank: The highest rank you have ever achieved.

Commission Rank: The rank at which you are currently paid, based on Sales Volume achieved during any given month.

2 and It's Free: The amount of credit you receive is calculated based on the average of your Customers' AutoDelivery orders that generate a minimum of 50 SV each. You must also be on AutoDelivery, generating a minimum of 50 PSV to qualify. The total credit received cannot exceed \$112.50 USD, the price of the Kickstart Combo pack on AutoDelivery. Please note, this credit does not apply to shipping, duties, VAT or any applicable international product import fees.

INCOME

Disclosure Statement

Please note the QuiAri business opportunity offers unlimited income potential. However, QuiAri makes no guarantee of financial success. Success with QuiAri results only from successful sales efforts, which require hard work, diligence, skill, persistence, competence, and leadership. Your income will depend upon how well you exercise these qualities.

As QuiAri is in its first year of business operations, we do not have sufficient statistical data to prepare complete, first-year income disclosures. A more detailed survey will be conducted after our first year of business. If income projections were presented to you prior to your enrollment, such projections are not representative of the income, if any, that you can or will earn through your participation in the QuiAri Compensation Plan.
